

Information to the members of Brf Prisma Hyllie

The lawn on our courtyard

We would like to encourage all members to cooperate to ensure we have a nice and pure outdoor environment in the courtyard. The lawn and sandbox in our courtyard are for our members, children and adults. Here, our children should be able to play freely, without being afraid to step in, or put themselves in, kiss and poop from dogs or other pets.

As you know and have been informed about, it is not allowed to let their pets relieve themselves on the lawn in our courtyard. Although there is a sign placed beside the lawn that informs us about this, we have on some occasions received complaints from members that there were poop on the lawn when they were out with their children to play in the courtyard (see picture on the right).

This is not how we want our common area to be.

With this, we want to ask for your collaboration to keep our courtyard clean and playful for our children and those who want a nice area.

We have put up additional signs in the courtyard that even more clearly show what rules apply:

If, despite this information, we see pet owners who allow their animal to pee or poop on the lawn, the board will not hesitate to act.

If you have any questions, please contact the board at styrelsen@brfprismahyllie.se.

Best regards,
Styrelsen
